SUGAR. - The market is well supplied with foreign sugar, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Wool. - The market is well supplied with foreign wool, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Oil. - The market is well supplied with foreign oil, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Tea. - The market is well supplied with foreign tea, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Coffee. - The market is well supplied with foreign coffee, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Spices. - The market is well supplied with foreign spices, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Fruits. - The market is well supplied with foreign fruits, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Vegetables. - The market is well supplied with foreign vegetables, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Oils. - The market is well supplied with foreign oils, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Resins. - The market is well supplied with foreign resins, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Waxes. - The market is well supplied with foreign waxes, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Glass. - The market is well supplied with foreign glass, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Clothing. - The market is well supplied with foreign clothing, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Textiles. - The market is well supplied with foreign textiles, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Machinery. - The market is well supplied with foreign machinery, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Tools. - The market is well supplied with foreign tools, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Furniture. - The market is well supplied with foreign furniture, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Household Goods. - The market is well supplied with foreign household goods, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Crockery. - The market is well supplied with foreign crockery, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Paints. - The market is well supplied with foreign paints, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Dyes. - The market is well supplied with foreign dyes, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Inks. - The market is well supplied with foreign inks, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Papers. - The market is well supplied with foreign papers, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Books. - The market is well supplied with foreign books, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Stationery. - The market is well supplied with foreign stationery, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Printing. - The market is well supplied with foreign printing, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Lithography. - The market is well supplied with foreign lithography, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Cutting. - The market is well supplied with foreign cutting, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Drawing. - The market is well supplied with foreign drawing, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Engineering. - The market is well supplied with foreign engineering, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Architecture. - The market is well supplied with foreign architecture, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Navigation. - The market is well supplied with foreign navigation, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Aircraft. - The market is well supplied with foreign aircraft, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Military. - The market is well supplied with foreign military, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Nautical. - The market is well supplied with foreign nautical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Aeronautical. - The market is well supplied with foreign aeronautical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Astronomical. - The market is well supplied with foreign astronomical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Meteorological. - The market is well supplied with foreign meteorological, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Geological. - The market is well supplied with foreign geological, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Botanical. - The market is well supplied with foreign botanical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Zoological. - The market is well supplied with foreign zoological, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Anatomical. - The market is well supplied with foreign anatomical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Physiological. - The market is well supplied with foreign physiological, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Medical. - The market is well supplied with foreign medical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Pharmaceutical. - The market is well supplied with foreign pharmaceutical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Chemical. - The market is well supplied with foreign chemical, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Physics. - The market is well supplied with foreign physics, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Maths. - The market is well supplied with foreign maths, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Literature. - The market is well supplied with foreign literature, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Arts. - The market is well supplied with foreign arts, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.

Crafts. - The market is well supplied with foreign crafts, and the demand is moderate. Prices are generally steady, with a slight decline in some grades.
